Raw Resp (davinci)	<div>...engage hostiles without hesitation.</div> <div>...take the first shot.</div> <div>...be prepared to fight your way out.</div> <div>...you are not bound by the ROE.</div> <div>The last of these seems to me to be the most important. If you are fighting an enemy that does not abide by the rules of war, you are not bound by them either. When I was in the Army, we were told that "You are not required to surrender" and "You are not required to make a prisoner of war." We were also told that our weapons were loaded with real bullets.</div>
