Raw Resp (davinci)

"If in doubt, empty your magazine."

"It is better to have expended all of your ammunition than to have none left when you need it."

"The purpose of a battle is to defeat the enemy. There is no other purpose."

"A good plan violently executed now is better than a perfect plan next week."

And here's a short list of political rules of engagement like "It is better to underreact than overreact":

"Never do anything for the first time."
